	7

	between the Sponsor and third parties in connection with the management of spaces or the implementation of any Benefit provided for in this Agreement shall cease at the end of this Agreement and may not be transferred to the Italian Pavilion.
	Article 6 (Legality obligations and code of ethics)
	The Sponsor, or the subcontractor in the event of subcontracting, undertakes to notify the judicial authorities promptly of any attempts at extortion by public officials that may in any way be made against persons forming part of the supply chain, the entrepreneur, corporate bodies or company managers. This obligation is essential to the execution of this Agreement, and failure to comply shall trigger express termination under Article 1456 of the Italian Civil Code whenever a precautionary measure has been ordered or an indictment issued for the offence under Article 317 of the Italian Criminal Code against public officials who have exercised functions relating to the conclusion and performance of the Agreement.
	The Italian Pavilion, or the Sponsor in the event of subcontracting, undertakes to invoke the express termination clause under Article 1456 of the Italian Civil Code whenever a precautionary measure has been ordered or an indictment issued against the entrepreneur, members of the company or company managers with specific functions relating to the award, conclusion and performance of the Agreement, for the offence under Article 321 of the Italian Criminal Code in connection with Articles 318, 319, 319-bis and 320 thereof, or for the offences under Articles 319-quater, paragraph 2, 322, 322-bis, paragraph 2, 346-bis, paragraph 2, 353 and 353-bis of the Italian Criminal Code.

	https://www.esteri.it/it/trasparenza_comunicazioni_legali/disposizioni_generali/atti_
	general/codice-disciplinare-e-codice-di-condotta/ . Breach of the obligations under
	Presidential Decree No. 62 of 16 April 2013 and the Code of Conduct of the Ministry
	of Foreign Affairs and International Cooperation shall constitute grounds for termi-
	nation of this Agreement.
	Article 7 (Guarantees and insurance)
	To guarantee proper performance of the Obligations, the Sponsor has provided a
	surety guarantee by means of No. dat-
	ed, issued by the company/institution, agen-
	cy/branch of, for € (Euro/00), valid
	until (DATE).....
	The surety guarantee shall expressly provide for waiver of the right to require prior
	enforcement against the principal debtor, waiver of the defence under Article 1957,
	paragraph 2, of the Italian Civil Code, and enforceability of the guarantee within fif-
	teen days upon simple written demand by the Italian Pavilion. It shall be progres-
	sively reduced in proportion to progress in performance, up to a maximum of 80 per
	cent of the initial guaranteed amount.
	The remaining amount of the surety guarantee shall be released on the date the
	certificate of satisfactory performance is issued.
	The Sponsor has also provided the following insurance policy (or endorsement, to-
	gether with the receipt confirming payment of the premium), No.,
	9

	signed on (DATE)..... and issued by the compa-
	ny/institution, agency/branch of, for €
	(Euro/00), covering all risks arising from performance of the Obliga-
	tions, whatever their cause, including third-party liability insurance (RCT) for dam-
	age to persons and property/materials/works/public land.
	Article 8 (Liability)
	The Sponsor shall be liable towards third parties and the Italian Pavilion for damage
	arising from failure to fulfil contractual obligations, including, where applicable, po-
	tential reputational damage to the Italian Pavilion resulting from any breach.
	During performance of the Obligations, the Sponsor shall be liable for any damage
	to third parties caused by its products or by the actions of its staff in the event of
	on-site supplies or activities. It shall therefore take all necessary measures and pre-
	cautions, including supervision, to ensure adequate safety and accident prevention
	in all operations connected with the Agreement.
	The Sponsor shall hold the Italian Pavilion harmless and indemnify it against any
	and all liability for damage to persons or property arising in connection with this
	Agreement, including improper use of the Italian Pavilion logo by the Sponsor, and
	against legal actions arising from claims for compensation brought against the Ital-
	ian Pavilion by injured third parties.
	The Sponsor assumes all civil and criminal liability arising from reproduction of the
	Italian Pavilion logo and, more generally, from execution of this Sponsorship
	Agreement, simultaneously releasing the Italian Pavilion from such liability.
	Article 9 (Checks and supervision of performance of the Agreement)
	The Italian Pavilion, including through its delegates, may check at any time during

	execution of the Agreement that the Sponsor is duly and accurately fulfilling its Ob-
	ligations. The Sponsor shall comply with any instructions issued to it each time, in
	accordance with the Project.
	Article 10 (Penalties)
	The Commissioner reserves the right to impose a penalty equal to 10% of the value
	of the Sponsorship, calculated at € _____,00 (Euro/00), if, for reasons
	attributable exclusively to the Sponsor, the conditions of the Agreement are not met,
	without prejudice to compensation for any greater damage established.
	If the Agreement is terminated because the Sponsor refuses to execute it, or be-
	cause of inability or negligence in performing the Obligations, the surety guarantee
	referred to in Article 7 above shall be called.
	In the event of failure to fulfil the obligation to remedy defects, imperfections and
	non-conformities in performance, a penalty of 10% of the value of the Sponsorship
	shall be applied for every five days of delay beyond the deadline set in the notifica-
	tion letter for carrying out the necessary remedial measures.
	If the penalties imposed under the preceding provisions reach a total of 50% of the
	net contractual amount, the Commissioner may terminate the Agreement.
	For the purpose of applying penalties, contractual breaches shall be notified in writ-
	ing by the Commissioner. The Sponsor may submit written, documented representa-
	tions within 15 working days of notification. The above penalties shall be applied
	without exception if the Sponsor has not provided any substantiated justification
	within the deadline for representations, or if the justifications provided are deemed
	insufficient or inadequate at the Commissioner's sole discretion. The decision shall
	be notified to the Sponsor in writing.
	11

	Article 11 (Product defects, imperfections and non-conformities – Sponsor’s obligations)
	The Sponsor warrants any products supplied against all problems not arising from
	force majeure for a period of no less than months from the date satis-
	factory supply is certified, and in any event until 30 September 2027 or, if the Obli-
	gations under this Agreement relate to dismantling the Italian Pavilion, until
	(DATE)....., unless the Sponsor specifies a different, longer warranty peri-
	od in the Proposal. The Sponsor shall therefore remedy at its own expense all de-
	fects, imperfections or non-conformities with the technical, performance and finish
	characteristics set out in the Proposal that arise in the goods supplied during that
	warranty period, resulting from construction defects, defects in the materials used
	or failure to comply with the technical part of the Proposal. Within 5 days of the
	date of the Commissioner’s letter notifying the defects, imperfections or non-
	conformities found and requesting their remedy, the Sponsor shall fulfil this obliga-
	tion, replacing defective, broken or faulty parts where necessary and, if this is insuf-
	ficient, withdrawing the goods and replacing them with new goods, and in any
	event replacing goods that do not meet the aforementioned technical and perfor-
	mance characteristics. If the Sponsor has not fulfilled its obligation upon expiry of
	that deadline, the Commissioner shall apply the penalty under Article 10. If the
	Sponsor fails to observe that deadline, the Commissioner reserves the right to have
	other companies carry out the work necessary to remedy defects and imperfections
	and supply goods that have not been replaced, charging the costs to the Sponsor.
	Article 12 (Ownership)
	Goods acquired or supplied under the Sponsorship, including any installations and

	any other fixed structures and/or infrastructure or furnishings installed and provided
	as part of the activity, shall remain the Commissioner's property if they can no long-
	er be physically separated from the completed works.
	Alternatively, in the event of disassembly and dismantling, including as a result of
	any relocation of the Pavilion, the Commissioner shall return all goods supplied to
	their respective sponsors and may require them to recover/disassemble/dispose of
	those goods at their own responsibility and expense.
	Article 13 (Environmental policies and regulations)
	Pursuant to Legislative Decree No. 152/06, the "Consolidated Environmental Act",
	the Sponsor undertakes to uphold its underlying values by safeguarding and improv-
	ing environmental conditions and using natural resources prudently and rationally.
	In particular, the Sponsor shall comply with the rules on transport and any disposal
	of waste, the reduction and abatement of atmospheric emissions (Kyoto Protocol),
	and the protection of water and soil.
	The Sponsor undertakes to comply with the applicable Expo Regulations and the
	provisions of applicable local town-planning and/or building rules.
	Article 14 (Termination and withdrawal)
	The Commissioner reserves the right to terminate this Agreement by operation of
	law under Articles 1453 and 1454 of the Italian Civil Code, following a formal notice
	to perform, in addition to the cases under Article 6 and the other cases provided for
	herein, if the obligations assumed upon entering into the Agreement are not fulfilled
	with the skill and diligence required in the circumstances, or in the event of serious
	and/or repeated breaches of contractual obligations and/or failure to comply with
	legislative and regulatory provisions.
	13

	In particular, the following shall constitute grounds for termination of the Agreement
	by operation of law under Article 1456 of the Italian Civil Code (express termination
	clause):
	1) where the Sponsor is in serious breach of its obligations;
	2) where checks reveal that the Sponsor does not actually meet the require-
	ments self-certified in the Proposal, with a consequent report to A.N.A.C.;
	3) breach of the "essential" deadline under Article 1457 of the Italian Civil Code
	for commencement of performance, as specified in Article 4 of this Agreement;
	4) where exceptional circumstances/causes prevent the Sponsor from fulfilling
	its commitments;
	5) where non-compliance with safety regulations and the obligations under
	Law No. 136/2010 is established.
	In the cases listed above, the Agreement shall terminate by operation of law with
	immediate effect following communication by the Commissioner, by certified email
	(PEC)/registered letter, of its intention to invoke the express termination clause.
	Termination of the Agreement due to the Sponsor's fault shall require the Sponsor
	to compensate all resulting damage suffered by the Commissioner, the Expo Yoko-
	hama 2027 Organising Body and the contractor constructing the Italian Pavilion.
	If the Sponsorship covered by this Agreement generates conflicts of interest be-
	tween the Commissioner's institutional activity and the Sponsor's activity, the rela-
	tionship shall be deemed terminated, subject to:
	i. an attempt to resolve the conflict in order to safeguard the public interest;
	ii. the rights accrued by the Parties at the time of termination.
	The Commissioner may also withdraw unilaterally from this Agreement in the follow-
	14

	ing cases:
	– where substantial changes to the conditions previously established for the
	Sponsorship arise in exceptional circumstances that could not be foreseen when the
	Agreement was signed, or for reasons of public interest and utility, in particular for-
	foreign policy, or for reasons relating to construction of the Pavilion. Withdrawal may
	take place upon simple request, without conditions or limitations of any kind and
	without charge, subject to the right to recover advance payments previously made
	in excess of the consideration for performance already rendered and received. The
	selected Sponsor may not claim indemnities for activities carried out and/or com-
	pensation for any damage;
	– where the Sponsor, for proven reasons of force majeure not attributable to
	it, communicates that it is unable to provide the performance in question, justifying
	and substantiating that inability with reasons that release it from personal responsi-
	bility;
	– in the cases provided for by Article 94, paragraph 2, of Legislative Decree
	No. 159/2011.
	Termination of the Agreement shall in any event be without prejudice to the Com-
	missioner's right to seek compensation for damage suffered as a result of the Spon-
	sor's breach.
	Article 15 (Prohibition on transfer of the Agreement)
	Assignment of the agreement, even in part, is prohibited.
	If the Sponsor is absorbed into another company, transfers its business or a busi-
	ness branch, or undergoes any other transformation, merger or demerger resulting
	in loss of its legal identity, it shall notify the Commissioner in advance. The Commis-
	15

	sioner shall have the right to oppose transfer of the Agreement, resulting in its ter-
	mination by operation of law under Article 1456 of the Italian Civil Code.
	Article 16 (Traceability of financial flows)
	The Sponsor assumes the obligations concerning traceability of financial flows under
	Article 3 of Law No. 136 of 13 August 2010, as subsequently amended, and under-
	takes to notify the Commissioner of the identifying details of the dedicated bank ac-
	count, the personal details and tax identification numbers of the persons authorised
	to operate it, and any subsequent changes.
	This Agreement shall be terminated whenever transactions are carried out without
	using banks or Poste Italiane S.p.A. and/or the other instruments provided for by
	law that are suitable for ensuring full traceability of transactions.
	Article 17 (Processing of personal data)

	Legislative Decree No. 97/2016);

	contractual relationship ends through completion of performance or for any other
	reason, including termination for breach, pursuant to Article 2946 of the Italian Civil
	Code. These terms shall be suspended while judicial proceedings are pending;
	VIII) The Sponsor may request access to its personal data and their rectification
